Present were Trustees Randy Bergdorf and Joe Broderick

Meeting was called to order at 7:05 p.m. Bergdorf agreed to take the minutes.

Bergdorf presented a letter of proposal from Pflum, Klausmeier, and Gehrum regarding the CVNRA Impact study currently proposed by the NPS through the Communities Council. (See attached) Bergdorf mentioned that Peninsula Village is also interested in participating in this study.

Bergdorf also commented that in light of the recent developments regarding the possibility of funding for roads through the NPS and the imminent arrival of commercial development at the Seasons Road exit from Route 8, it may again be appropriate to consider the possibility of a merger study. Much has transpired in the last five years and many situations have changed. All positive and negative ramifications should be explored.

Broderick made a motion to approve payroll. Seconded by Bergdorf. All aye.

Mr. Bauer, Mr. Kube, and Mr. Krawchuck from Whalley Road entered the meeting to discuss zoning matters on the end of Whalley Road. Bergdorf and Broderick stated that it was their understanding that Zoning Inspector Jim Jones had issued a citation to the property in question on the day before Thanksgiving. An appropriate course of action would be determined if the citation fails to bring about the desired effects.

Broderick made a motion to adjourn the meeting for lack of other business. Motion seconded by Bergdorf. Meeting adjourned at 8:25 p.m.
